

# SAN FRANCISCO WOMEN AGAINST RAPE

12<sup>th</sup> ANNUAL WALK AGAINST RAPE

SATURDAY, APRIL 8<sup>th</sup>, 2016

Dear Loved One,

On April 8<sup>th</sup>, 2017, hundreds of people committed to putting an end to sexual violence will march in solidarity through San Francisco's Mission Neighborhood in what will be San Francisco's tenth Annual Walk Against Rape. I am proud to be participating in the tradition of this historical event. As a tribute to Sexual Assault Awareness Month, Walk Against Rape is an opportunity for the communities of San Francisco to come together to raise money and awareness around sexual assault.

By participating in Walk Against Rape, I will be raising funds for San Francisco Women Against Rape (SFWAR) in support of the following services:

- ◆ 24-hour Rape Crisis Line
- ◆ Counseling Services: Peer Counseling and Support Groups for survivors of sexual assault
- ◆ Medical and Legal Advocacy
- ◆ Case Management
- ◆ Prevention Education
- ◆ Increasing education and community organizing to end sexual assault

Every two minutes, someone living in the United States is sexually assaulted. As a participant in this year's Walk, I have committed myself to the movement to end sexual assault. Please join me in this commitment by sponsoring me to Walk Against Rape.

On behalf of thousands of people affected by sexual assault, I am requesting a pledge donation. All proceeds will benefit survivors of sexual assault. I have agreed to raise \$\_\_\_\_ and I need your support! Would you kindly consider making a pledge to help me reach my goal? Any amount you can afford will help. Please send me your donation by check payable to SFWAR or make your tax-deductible donation online at my fundraising page at [\(COPY AND PASTE YOUR FIRSTGIVING LINK\)](#).

SFWAR is an organization that provides resources, support, advocacy and education to strengthen the work of all individuals, and communities in San Francisco that are responding to, healing from, and struggling to end sexual violence. We believe that no single individual, organization, foundation, or business alone can stop the epidemic of sexual assault, but by responding as a whole community we each bring our piece of the solution.

**Only when the entire community takes responsibility for making rape unacceptable will we all live free from sexual violence.**

Thank you, in advance, for your support!

Sincerely,
